We encourage lecturers, teachers and professors to circulate this call widely across your undergraduate students. This will be a unique occasion to visit the legendary city of Istanbul, where you can enjoy the harmony of cultures, harmony of people & the rhythm of diversities. Istanbul is the only city in the world where you can enjoy your meal with the landscape of another continent. (<http://english.istanbul.com/>) There will be plenty of opportunities for socialization and organized trips.

Please circulate this call widely across undergraduate students in relevant social sciences and humanities areas, such as anthropology, law, linguistics, literature, philosophy, psychology, religious studies, social work and sociology. This will be a unique occasion to visit the city of Istanbul. Participating students will be joining fellow students from Turkey and across the world to debate the raising issues in the area of youth in a conference organized

by students for students, with the support of staff at Maltepe University's Faculty of Arts and Sciences.
