Omsk F.M. Dostoevsky State University invites you to the Russian Language Summer School!

Omsk F.M. Dostoevsky State University (OmSU) offers a 3-week programme for those who would like to start learning Russian or for those who wish to improve their language skills. Students are taught in small groups based on their language proficiency. Upon the successful completion of our programme, students will receive the Russian Language School Certificate (2 ETCS).

To help you enjoy your stay, we have organised an action-packed programme at our school. You will visit historical sites, take part in many organized activities (sports and dance), make new friends, dance at the school's discos, and participate in other evening activities. On Saturdays, students will experience Siberia's unique natural environment and will visit sites of historical and cultural significance in the region. In addition, some of the classes will be held at the University Recreation Centre located outside of Omsk
