

It's your future How far will you take it?

Winners will stand out from the crowd.

Deloitte is the world's leading auditing and consulting company serving large local and multinational corporations, public entities and dynamically developing new business in Hungary currently through 400 domestic and foreign experts.

We have open positions in Hungary. We are looking for our next talented graduates and final year students to join our success - someone who is smart, extremely motivated, and gets things done faster than others, someone keen to learn new things and comfortable in a fast changing environment. **You may come from any faculty. Knowledge of English and Hungarian is required.**

Learn more about our company, our current programs and positions and visit us at our career day.
